

Turning Waste to Cash in Wisconsin

State-level Industrial Energy Efficiency Reward Programs

State	Name and Categories of Program	Eligibility Factors	Review Criteria	Recipients Receive	Funding	Web site	Contact Information
<u>Colorado</u>	Colorado Industrial Energy Challenge	-Colorado industrial facility with more than \$200,000 in annual energy costs -Industrial: manufacturing, oil, gas, mining, ski resorts, research and development, municipal water utilities	-Sign commitment letter to do the following: -Set a 5-year goal for reducing total energy use or energy intensity -Report total energy consumption or energy intensity for the base year and each subsequent year -Describe and report savings from energy efficiency programs	-Public recognition -Certificate from the Colorado Energy Office -Invitation to recognition event -Free technical assistance	U.S. Department of Energy's Advanced Manufacturing Office	Link	Neil Kolwey, Senior Associate, Southwest Energy Efficiency Project 303-499-0213 nkolwey@swenergy.org
<u>Idaho</u>	Idaho Awards for Leadership in Industrial Energy Efficiency 1) State of Idaho's Award for Excellence in Industrial Energy Efficiency 2)The Idaho's Governor's Award for Leadership in Industrial Energy	-Industrial facilities only (NAICS 31-33 or SIC 20-39) -Total facility energy expenses must exceed \$100,000	Award of Excellence -Five facilities that demonstrate energy efficiency by reducing energy intensity or improving energy efficiency as stated in its application -Also considered for Governor's award	-Public Recognition	-Governor's Office of Energy Resources	Link Form	Matt Wiggs Energy Specialist 208-332-1676 Matt.wiggs@oer.idaho.gov Jennifer Pope Energy Specialist 208-332-1677 Jennifer.pope@oer.idaho.gov

	Efficiency		Governor's Award -A single facility that exemplifies commitment to energy efficiency through promotion, implementation, and management of new energy programs				
<u>Illinois</u>	Illinois Governor's Sustainability Award -Governor's Award - Honorable Mention	Any Illinois public or private organization	-Significance of sustainability activities -Waste volume or emissions reduction -Use of green materials -Natural resource conservation -Reductions in water, energy, solvent, and toxic chemical usage -Waste reduction or beneficial reuse -Economic benefits, including cost reductions or jobs created -Employee/member involvement Benefits to employees, community, and environment	-Public recognition		Link	Deb Jacobson 630-472-5019 djacobso@illinois.edu <u>u</u>
<u>Indiana</u>	Indiana Governor's Award for Environmental Excellence -Governor's Award	-Located in Indiana -One year of quantifiable environmental results -Voluntary change implementation -No unresolved compliance issues -Agree to share information for publication	-An explanation of how the project serves to advance environmental excellence project's -Economic benefits and savings -Community or workplace improvement -Leadership commitment to these improvements -How the project can be transferred to other organizations -Special features -Overall environmental impact	-Public recognition		Link	Indiana Department of Environmental Management Office of Pollution Prevention (800) 988-7901

<p><u>Iowa</u></p>	<p>Iowa Environmental Excellence Awards</p> <p>1) Environmental Excellence Award</p> <p>2) Special Recognition</p> <ul style="list-style-type: none"> -Water Quality -Air Quality -Energy Efficiency -Habitat Restoration -Waste Management -Environmental Education 	<p>-Local government, small or large businesses, public sector facility, agriculture operation, nonprofit/service organization</p>	<ul style="list-style-type: none"> -Leadership and Innovation -Sustainable Environmental Results -Economic Results -Participation/Involvement -Benefits to Workers/Environment/Community -Transferability 	<p>-Public recognition</p>		<p>Link</p>	<p>Emily Bainter 515-725-8281 Emily.bainter@dnr.iowa.gov</p> <p>Scott Flagg (515) 725-8318 Scott.Flagg@dnr.iowa.gov</p>
<p><u>Kansas</u></p>	<p>Kansas Pollution Prevention Awards</p> <ul style="list-style-type: none"> -Pollution Prevention Award -Pollution Prevention with Distinction Award 	<p>-Any Kansas business, industry, community, community group, school, organization</p>	<ul style="list-style-type: none"> -Program implemented for at least six months -No recycling projects -Voluntary efforts -Reduction of waste or material use -Reduction in air emissions -Reduction in energy usage -Reduction in water usage -Reduction in toxics -Benefits to community and workers -Transferability 	<p>-Public recognition</p>		<p>Link</p>	<p>Melissa Hammond mhammond@kdheks.gov</p> <p>Ashton Rucker 785-291-3684 arucker@kdheks.gov</p>
<p><u>Kentucky</u></p>	<p>Energy Leadership Award</p>	<p>-Any person, company, or organization in Kentucky</p>	<ul style="list-style-type: none"> -Must be nominated by another Kentucky resident -Overview of nominee including their steps toward energy efficiency and alternative energy use 			<p>Link</p>	<p>Susie Paul Susie.paul@ky.gov 502-564-7484</p>

<p><u>Michigan</u></p>	<p>Governor's Award for Excellence in Energy Efficiency</p>	<p>-Michigan state department or agency</p>	<p>-Implementation of cost-effective energy efficiency, energy conservation measure -Achievement of energy savings</p>	<p>-Public recognition</p>		<p>PDF</p>	<p>Director of the Michigan Energy Office Steve Bakkal energyinfo@michigan.gov</p>
<p><u>Minnesota</u></p> <p><u>Discontinued in 2011</u> Minnesota Governor's Award for Environmental Excellence and Pollution Prevention- Contact: Peber Asnhei peber.asndhei@state.mn.us</p>	<p>Environmental Initiative Awards</p> <p>Categories: Community Action, Energy and Climate, Environmental Education, Food Stewardship, Natural Resources, Sustainable Business, Partnership of the Year</p>	<p>-Any nominated Minnesota based project</p>	<p>-Achievement of environmental improvement through partnerships</p> <p>-Importance of goals -Quality of results -Strength of partnership -Innovation and uniqueness</p>	<p>-Public Recognition and Monetary Awards</p>	<p>-Sponsorship</p>	<p>Link</p>	<p>Andrea Robbins 612-334-3388 ext. 100</p> <p>arobbins@environmental-initiative.org</p> <p>General: energy.info@state.mn.us</p>
<p><u>Missouri</u></p>	<p>Missouri Governor's Award for Environmental Excellence and Pollution Prevention</p>	<p>-Businesses, organizations, individuals, employees, municipalities, institutions, and communities in Missouri</p>	<p>-Pollution prevention activities -Innovative technologies -improvements in energy efficiency -Recycling -Education -Outreach activities</p>	<p>-Public recognition</p>		<p>PDF</p>	<p>eiera@eiera.mo.gov</p>

<p><u>Oregon</u></p>	<p>Oregon Leaders Award</p> <p>1) Leadership in Innovation 2) Leadership in Energy Performance 3) Leadership by Example</p>	<p>-Nomination form not available</p>	<p>Innovation -A company that has implemented a highly innovative energy project in the past two years by emerging technology, new use of technology, unique process change</p> <p>Energy Performance -Company that has achieved the greatest reduction in energy intensity during the past two years</p> <p>Example -Company that has shared energy efficiency progress and knowledge, influencing broader awareness of energy efficiency</p>	<p>-Public Recognition</p>	<p>The Oregon Department of Energy</p>	<p>Link</p>	<p>info@oregonindustrialEEleaders.org</p>
<p><u>Utah</u></p>	<p>The Utah Industrial Energy Efficiency Challenge</p>	<p>-Nominated Utah manufacturing or industrial company</p>	<p>-Industry leaders that improve energy efficiency -Reduction in energy usage and energy costs</p>	<p>-Public Recognition</p>		<p>Link Form</p>	<p>Mitalee Gupta Mgupta@utahcleanenergy.org</p>
<p><u>Washington</u></p>	<p>Washington Industrial Energy Leaders</p> <p>1) Leadership in Energy Performance 2) Leadership in Innovation 3) Leadership by Example -Sponsor Awards</p>	<p>-Nominated Washington industrial company</p>	<p>Category 1: Achievement of reduction in energy intensity during the past three years</p> <p>Category 2: : implementation of an energy project/effort in the past three years using highly innovative technology</p> <p>Category 3: Sharing of energy efficiency progress and knowledge, influencing broader awareness outside of the organization</p>	<p>-Recognition at Northwest Industrial Energy Efficiency Summit</p>		<p>Link</p>	<p>Industrial Efficiency Team Industrial Services Manager: Cris Love 360-956-2172 wiel@energy.wsu.edu</p>
